# Introduction to this User Guide

This user guide supports users of the Assessment Viewing Application (AVA). AVA is a component of the Online Testing System that allows authorized users to review assessments for administrative or instructional purposes. This introduction describes the contents of this document, and includes a key for identifying icons and elements found throughout the guide.

## User Guide Content

This user guide provides information about the following sections:

- [Logging in to AVA](#) explains how to access AVA.
- [Accessing Tests](#) explains how to select a test to review.
- [Understanding AVA](#) describes the layout of AVA.
- [General Test Rules and Navigation](#) explains how to navigate the test.

	<b>Note:</b> This symbol accompanies additional information or instructions of which users must take note.
<b>Text</b>	Bold text is used to indicate a link or button that is clickable.

## Additional Resources

The following publications provide additional information:

- For information about which operating systems and browsers are supported, see the *System Requirements* document
- For information about student and user management see the *TIDE User Guide*.
- For information about administering online tests via the TA Interface, see the *Test Administrator User Guide*.
- For information about scoring hand-scored questions, see the *Teacher Hand Scoring System User Guide*.
- For information about network and internet requirements, general peripheral and software requirements, and configuring text-to-speech settings, see the *Technical Specifications Manual for Online Testing*.

- For information about installing secure browsers, see the *Secure Browser Installation Manual*.

The above resources are available on the Montana Comprehensive Assessment System Portal (<http://mt.portal.airast.org/>).

## **About Testing Policies and Procedures**

This document describes the features and functions of the Assessment Viewing Application. It does not provide information about test administration policies and procedures. For information about policies and procedures that govern secure and valid test administration, see the *Test Administration Manual* available on the Montana Comprehensive Assessment System Portal (<http://mt.portal.airast.org/>).

# Section I. Logging in to AVA

Authorized users can access the Assessment Viewing Application via the MT Portal.

- 
1. Navigate to the MT Portal (<http://mt.portal.airast.org/>).
  2. Select the System & Test Administrators button.

Figure 1. Portal Button

3. Select **AVA System**. The login page appears

Figure 2. AVA Card

4. Enter your email address and password.
5. Click **Secure Login**. The **Choose a Test Grade** page appears
  - a. If you have not logged in using this browser before, or if you have cleared your browser cache, the **Enter Code** page appears (see [Figure 4](#)) and an email containing an authentication code is sent to your address.
  - b. In the *Enter Emailed Code* field, enter the emailed code.
6. Click **Submit** to access the **Available Tests** page.

Figure 4. Login Page

Figure 3. Enter Code Page

**Note:** You must use the authentication code within five minutes of the email being sent. If the code has expired, click **Resend Code** to request a new code.

## About Usernames and Passwords

Your username is the email address associated with your account in TIDE. When you are added to TIDE, you receive an email containing a temporary link to the **Reset Your Password** page. To activate your account, you must set up your password and set a security question within 15 minutes of receiving this email.

- **If your first temporary link expired:**

In the activation email you received, click the second link provided and proceed to request a new temporary link.

- **If you forgot your password:**

On the **Login** page, click **Forgot Your Password?** and then enter your email address in the *Email Address* field. You will receive an email with a new temporary link to reset your password.

- **If you did not receive an email containing a temporary link or authentication code:**

Check your spam folder to make sure your email program did not categorize it as junk mail. If you still do not have an email, contact your School or District Test Coordinator to make sure you are listed in TIDE.

### **Additional help:**

If you are unable to log in, contact the MT Help Desk for assistance. You must provide your name and email address. Contact information is available in the [User Support](#) section of this user guide.

## Section II. Accessing Tests

This section explains how to select tests to review in AVA.

### Step 1 – Choosing a Test Grade and Test

On the **Available Tests** page, you select the grade level of the test you wish to review and then select an available test.

Figure 5. Available Tests Page

**Available Tests**

To select a grade and test:

7. From the **Grade** drop-down list, select the required grade level. The tests available for the selected grade appears (see [Figure 5](#)).
1. Click the required test name. The **Choose a Test Form** page for that test appears.

## Step 2 – Choosing a Test Form

The **Choose a Test Form** page displays one or more test forms, as well as the session ID that automatically generates after you select a test.

Figure 6. Choose a Test Form Page

**Choose a Test Form**

Select the appropriate test form from the drop-down list based on the student's accommodations in TIDE. The following 2 forms are available for ELPA21 tests:

1. All Domains
2. Domain Exempt Version (only for students with 1 or more domain exemptions)

Next Back

*To select a test form:*

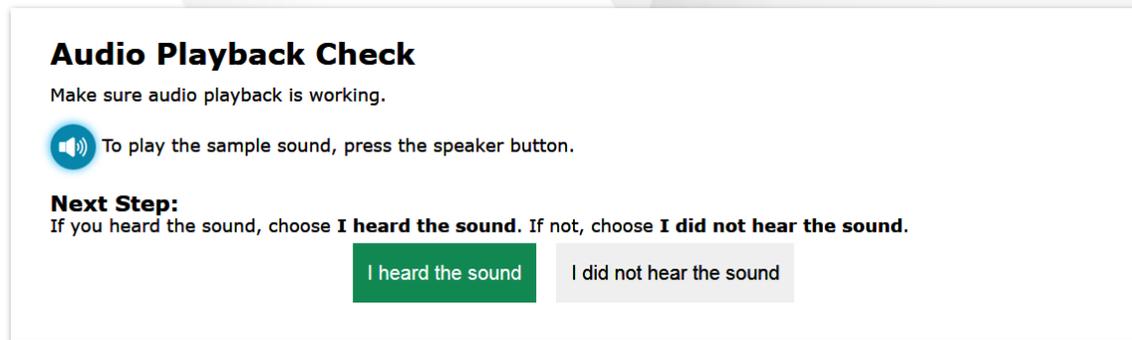

1. From the **Test Forms** drop-down list, if available, select the appropriate form. If the drop-down list is not available, verify that the correct test is listed in the *Test Forms* field.
2. Click **Next**. If the test requires any functionality checks, the **Audio/Video Checks** page appears. If not, the first test page appears.

## Step 3 – Functionality Checks

### Audio Playback Check

The *Audio Playback Check* panel appears for tests with listening questions. On this panel, you must verify that you can hear the sample audio.

Figure 7. Audio Playback Check Panel

To check audio settings:

3. Select the  icon and listen to the audio.
4. Depending on the sound quality, do one of the following:
  - If the sound is audible, select **I heard the sound**.
  - If the sound is not audible, select **I did not hear the sound**. The *Sound Check: Audio Problem* panel appears.
    - To try again, click **Try Again**. This takes you back to the *Audio Playback Check* panel.

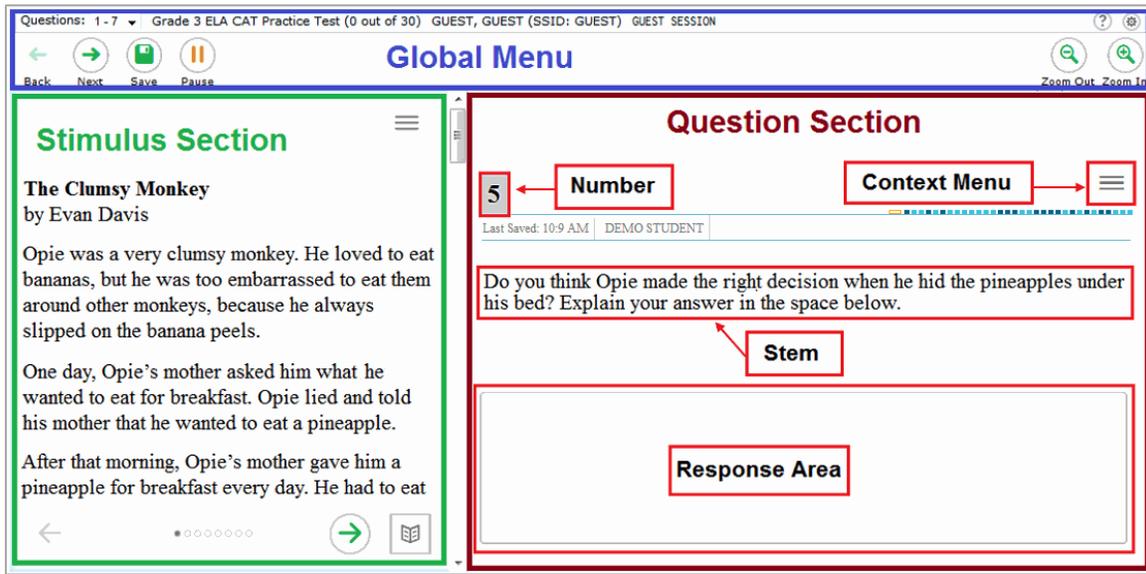

**Note:** If the audio does not work, you can click  in the upper-right corner of the page to log out. You can troubleshoot the device and headphones or move to another device with working audio.

## Section III. Understanding AVA

[Figure 8](#) displays a sample test page. Some pages may have only one question, and others may have multiple questions. Questions may also be associated with a stimulus, such as a reading passage or video.

Figure 8. Sample Test Page

### Test Tools

AVA includes various on-screen tools. You can access these tools by clicking the buttons available in the *Global Menu* and *Stimulus* sections of the test page, or by selecting options from the context menus  that appear in the *Question* and *Stimulus* sections of the test page.

[Table 2](#) lists the tools available in the *Global Menu* section of the test page, while [Table 3](#) lists the tools available in the *Question* and *Stimulus* sections (context menu tools).

## Section IV. General Test Rules and Navigation

This section describes how to navigate a test, pause a test, and complete a test review.

### Responding to Questions

When viewing a test, you can practice responding to the test questions. You must respond to all the questions on a page before advancing to the next page. The responses you enter will not be scored when you complete the test review.

### Navigating to Questions

You can navigate to questions page-by-page or jump directly to a question's test page.

- To navigate page-by-page, click the **Back** or **Next** buttons at the top of the screen.
- To jump directly to a test page, select the required question number from the **Questions** drop-down list.

### Pausing Tests

You may pause the test at any time. Pausing the test automatically logs you out of AVA. To return to the test, you must log back in and select the required test again.

*To pause the test:*

1. Click  in the upper-right corner. A confirmation message appears.
2. Click **Yes** to confirm that you want to pause the test.

### Test Timeout

AVA automatically pauses the test and logs you out after 30 minutes of inactivity.

**Note:** Before AVA logs you out, a warning message appears on the screen. If you do not click **OK** within 30 seconds, you are logged out.

## Finishing the Test Review

After viewing all the questions in a test, the **Finished** button appears in the global menu.

Figure 9. Finished Button in Global Menu

When you click **Finished**, a confirmation message appears, giving you two options:

- To complete the test, click **Yes**.
- To continue reviewing the test, click **No**.

## Reviewing Marked Questions

The ***Want to review a question again?*** page gives you one more opportunity to review questions.

Figure 10. Want to Review a Question Again? Page

### Want to review a question again?

If you wish to review your entries, select a question number below.

You have marked questions. Review these questions before submitting your test.

**Questions:**

**Next Step:**  
When you are done reviewing questions, select **I'm Done Here**.

I'm Done Here

*To review questions again:*

1. Click the question number you want to review. The test page for that question appears.
  - You can navigate the test as you did when initially entering responses. The navigation buttons are still available in the global menu.
  - To return to the ***Want to see a question again?*** page, click **Finished**.
2. To complete your review, click **I'm done here**.

## Completing the Review and Logging Out

After reviewing the questions, AVA displays a final warning message asking if you are sure you are done. The warning message gives you two options:

- To return to the ***Want to see an item again?*** page, click **No**.
- To complete your review of the test, click **Yes**.

The ***Done Reviewing Test*** page appears when your test review is over.
